Mission: The Courtney S Turner Charitable Trust, was created under Trust Agreement dated August 25th, 1978 to award charitable gifts granted to 501(c)(3) organizations with charitable, cultural, educational, and or youth-oriented and dysfunctional to functional (i.e. welfare to work) projects.

The Turner Trust usually provides up to one third of the total funding of any approved project, so all applications must include credible plans for the balance of the funding. As you might expect, the Trust will be receiving a multitude of grant requests to support worthwhile opportunities for the upcoming awarding year. An invitation to submit an application in no way guarantees approval / funding of your request.

Please apply now, **and no later than October 31st, 2022** to be considered for funding for the 2023 awarding year.

We are also requesting that all awarded recipients of the Courtney S. Turner Trust for the 2022 awarding year, provide us with at least a one-page summary on those awarded funds received, how it was used, and/or results achieved, or expected. This summary should be submitted (via e-mail), to the committee (atchison.turnertrust@gmail.com) before October 1st, 2022.
